International Montessori Schools

MEDIA CONSENT FORM

Dear Parents,

During the course of the school year there are times when pictures or videos of your child may be taken, or when he or she may be interviewed by a teacher while at school, to showcase an event or to detail a project of his or her class. These pictures, videos, and interviews may be displayed in the school, shown during a school event, or may appear on our school web site. Our web presence represents our schools to a potentially greater audience than any other media, which will enable our Montessori teaching philosophy to flourish in our local community. However, we do respect your privacy and will not post pictures in the classroom, in our newsletters, or on our website without your written consent.

We are proud of your child's educational growth and feel it is important to share your child's hard work and progress. Please complete the form below and return it to your child's teacher.
