International Montessori Schools

Release Code Form

Current Release Code	Date Used	Used By

Parents are asked to identify other individuals who are authorized to pick up their child. Please be aware that under NO CIRCUMSTANCES will a child be released to an unauthorized individual. In the event that someone other than an authorized individual must pick up your child, you can make this arrangement by telephoning the school. A Special Release code should be written on this form. This Release Code is selected by you and should be something only you will know. After using it each time, you need to change it, and the new release code should be written on the same form with the revision date. Please fill out at least one release code and return this form with the rest of your enrollment paper work.
